Part II. Self-Assessment

The Town of Londonderry has completed the required self assessment and has determined that our municipality is in compliance with all permit conditions, except for the following:

- Part 1C The Town has not yet developed and run two Cable TV advertisements. The Department of Public Works & Engineering has taken part in Leadership Londonderry, attended Town meeting, and hosted girl and boy scouts to present information regarding Town's requirements of NPDES Phase II MS4 General Permit. Feed back obtained to date indicates presentations one-on-one allows residents to obtain immediate information and question program. The DPW has also prepared various articles, related to NPDES Phase II MS4 General Permit, that have been included in the Town's recycling newsletter and local newspaper. The Department of Public Works & Engineering will continue above activities and consider developing and run Cable TV advertisements as part of our future planned activities.
